

Inualation Plains May 27th
To Rev J. S. Griffin

My Dear Brother
My eyes will not allow me to
make the extracts from Mr Burnett's
letter & the comments which are
necessary. I send the letter to you.

I am happy to hear that you obtained
the paper. I would like to know the con-
ditions. Next week I start to get Mr
Asborn's testimony. I wish to obtain
Mr Hinman's also. I should be glad if
you could accompany me as it is
thought my life is in danger. It seems
the H. B. Co. have stopped my supplies
God willing, I expect to start for Hamilton

Soon.

You are to use that portion of Mr
Burr's letter which speaks of the Spectator
as not being for a caricature of
the Massacre at Warrilobur & for that

purpose of showing the importance of our
other point. Be careful & not reflect on the
Spectator. Let the extract speak for itself
if you should get as much impudence in a copy as possible
I think my letter in answer to one to Bishop should not go
- yet. Besides I wish to let my goods for 30 or 40
