To Whom It May Concern:

It is with great pleasure that we at New Directions/Family Resource Center support WCCAO's efforts for a Multi-Service Center. We have worked on a number of joint program ventures in the past and continue to refer students/clients to each other.

The Multi-Service Center is an essential effort to the low and moderate income citizens of Washington County and specifically New Directions student. The Multi-Service Center concept will make receiving services from WCCAO by our students much easier.

In addition, the Multi-Service Center with the increased space will allow New Directions enough space to offer mini workshops to the curriculum.

As you can tell, I am very excited about the Multi-Service Center concept.

Sincerely,

Joanne Truesdell  
Director  
Family Resource Center
