

He was speaking of the Immigration of the Japanese  
Gen'l. and was in fact. He was in Portland  
the same day that you were there as he often  
wrote Burnet. and he repeated steadily? but he  
had not known it in time

My Dear Uncle

I thank you  
heartily for the Photograph  
of yourself wh. I rec<sup>d</sup> from  
you a few days since. I was  
so busy all last week that  
I did not have time to acknowledge  
it. I sh<sup>d</sup> prize it very  
highly - I do not give up  
seeing you yet here in New  
England. I sh<sup>d</sup> be willing to  
give something ~~for~~ to secure a  
recult wh. we so much desire

The programme of your graduation exercises came to hand two or three days since

So now all four of your children have completed a college course and as far as that can make them so are prepared for life's work.

Will has begun his Sarah has her in the present and perhaps Mary in the care of the home. Grace

I suppose has yet to find his field of labor. I have no doubt they are all minded to do a good and

faithful work among men somewhere - and I trust they will find their field and fill it -

We are now in the midst of scorching heat - It is the first to speak of this summer. In what class did you graduate at Mr? When will your class have another meeting -

We are in normal health tho' the heat makes. The baby who is also cutting a tooth now and then rather fretful. At home the folks are

I think. Eunice who has just  
got home I have not yet  
seen. She will not I suppose  
return to Cincinnati where  
she has been for four years  
and over - I do not know  
that she has any engagement  
now - I spent a pleasant week  
last week at Andover West.  
Conn. whither I went by appoint-  
ment of our Association.

My warmest regards  
for you all. in wh. also  
my wife joins

When Pres. W. M. Clark of the Andover Association  
called on me in his home in the country for some  
days he went up. across the country for some  
purpose to visit us. including the Williams  
family and that since  
my wife joins
