Dear Grantee:

As part of the closing of the OCS regional office in Seattle, files are being stored at the Federal Record Centers in Seattle (1981 and prior years) or in Suitland, Maryland (1982-1983) or are being discarded.

The enclosed documents relate to your designation as a community action agency and/or to your eligibility to have received OEO/CSA funds. Rather than discarding them, we are sending them to you with the thought that they might be of historical interest to you or, in some cases, might complete your files.

Sincerely,

Charles Chong
Regional Close-out Manager
