Executive Director  
Washington County Community Action Organization  
451 S. First Avenue, Suite 700  
Hillsboro, OR 97123

Dear Jerralynn:

It is my sincere pleasure to support the Washington County Community Action Organization's most recent project, the construction of a Multi-Service Center. This center will be a tremendous asset to all of us who live and work in Washington County.

In recent years, the Washington County Community Action Organization has served the low-income families of Washington County in a variety of important ways. Your administration of comprehensive family services and five Head Start programs has improved the lives of numerous families in Washington County.

I understand that your new Multi-Service Center will allow you to do an even better job at administering your programs and meeting your objectives. Moving all five Head Start centers, the Head Start central kitchen, and all of your administrative offices out of current rented facilities and into one central location will make your agency more effective and more efficient, improving the valuable services provided to Washington County.

I give my full support to your efforts and to the construction of your new Multi-Service Center. I hope that your funding requests are given careful and positive consideration. It is a project that will not only benefit Washington County, but all of us in Oregon.

Best of Luck.

Sincerely,

ELIZABETH FURSE  
Member of Congress
