TO: Bob Oliver

On or about October 17, 1984, we were informed by Rajneeshpuram officials that they had reached their peak of 4,200 "street people" in Rajneeshpuram.

We have been able to confirm the following departures since the "Share a Home" program commenced about September 1, 1984 to October 26, 1984.

Madras - 615 - Rajneesh ticketed departures

Portland - 360 - Salvation Army ticket purchases

The Dalles - 84 - Salvation Army ticket purchases

Madras - 43 - Harvest Mission ticket purchases

TOTAL - 1,102

We estimate an additional 400 have departed without paid transportation.

Attempts to obtain this or similar information from Rajneesh officials have been unproductive to date.
