Rev. A. Lyman

Dear Bro.

I herewith propose to visit your place on Wednesday 29th Inst. and at either 2 P.M. or Evening (or both) to hold the Annual meeting of the Washington Co. Bible Socy if it has not been held already this season. I also propose to hold the Annual Meeting of the State Society at Portland on Wednesday 31th NOV^r inasmuch as before that time it would be impossible to get through with the County Societies.

Many, very many, of our friends have been away and are just now returning, and at the late in the season we are probably doing the best to take this course. It throws me into a very severe travel from now until the middle of December, as I purpose in that time to be all through the Willamette Valley to Astoria, Olympia, Dalles & Walla Walla. Will you advise with Bro. Walker and others on these affairs

I am

Yours Truly
William Roberts
