Windermere presents checks to six organizations

In December, the Hillsboro office of Windermere-Baldwin Properties made six \$750 donations from the Windermere Foundation to local recipients.

All the Realtors at the local Windermere-Baldwin Properties of Hillsboro participate in the Windermere Foundation. A small portion of every transaction is donated to the Windermere Foundation. Other fundraisers are added to the local fund. This time, the office won a \$2,000 grant for a video produced during the local Windermere Community Service Day at the Community Action Family Shelter.

The local office is allowed to dis-

tribute the foundation money to non-profit entities in the Hillsboro office service area that meet Windermere Foundation guidelines.

Windermere Realtors presented the \$750 donation checks at an event on Dec. 8. Receiving the checks were Martha Ochoa, founder and director of Forest Grove Family Resource Center; Annie Heart, executive director of Family Bridge; Linda Dahan, development director of Community Warehouse; Joan Goldhammer, executive director of Rebuilding Together Washington County; Pastor James Bradburn, Alden Eld and Linda Eld of

Pantry@Rock Creek Church; Lisa Goodwin, Coie Jensen and Lisa A. Brown of Community Action's Family Shelter.

Windermere Realtors making the presentations were Susan Amort, Matt Crile, Lisa Miller, Breda Kennedy, Chuck and Avery Cero and Keith Sjordin.

The Baldwin office of Windermere is honored to be able to donate these funds made possible by the sales of the local area homes. Windermere-Baldwin wants to thank the many clients who have made these gifts possible.
