Mr. C. H. Walker,

Warm Springs, Oregon.

Dear Sir:-

Your letter of the 22nd received. I will forward it to McCamant & Snow, the attorneys who have the matter in hand.

We succeeded in getting the Department to stay proceedings until the October term of court. I forwarded the Department order to this effect, with other correspondence, to McCamant, as soon as they were received. Now that he is home from the National Convention, I presume he will give the matter his early attention.

Yours truly,
