INTEROFFICE MEMO

TO: Denny Miles

DATE: August 14, 1984

FROM: Gerry Thompson

SUBJECT: Governor/Floor Leader at Republican National Convention

The Reagan Bush headquarters in Dallas, Texas called to confirm the Governor as a floor leader. We have all been waiting for the Governor's instructions. Here they are.

1. Governor will have to agree to carry a walkie-talkie on the floor.
2. He will be called upon when "someone of his influence" is needed.
3. Governor is to be at a Vice President's reception at 4 p.m. Sunday at which time he will receive full instructions, etc.

Reception is at the Anatole in the Disco Room which is across from the Cinema 2 room.

The Anatole has three areas: the tower, atrium 1 and atrium 2. I am told the tower will be the center for all Reagan-Bush activities. As you enter The Anatole, you will see the Emerald Room. This houses the base operations at which all directions, etc., can be received.
