BEARING FRUIT

Channel 2 KATU-TV

4/2/84

6:38

Oregon Governor Vic Atiyeh's Middle East trade mission appears to already be bearing fruit. A Saudi Arabian landscaping company has expressed interest in buying apple trees from a Woodburn nursery.

The Saudi company found out about the No View Nursery from a member of the Oregon trade delegation touring the Middle East. The Saudi company plans to make contact with the nursery within perhaps the next two weeks.
