Letter to Editor states there has been much discussion as to the advisability of returning the "College Spirit" to its old place in Brighton Chapel.

Reasons why it should retained as class trophy should be left where it could be admired by all.

Injustice to Mr. W. to have one class hold in possession

Has attracted more attention since being taken from chapel than before.

Only Class banners were frequently stolen by other classes. But all classes interested in the "little Chinese bronze"

First Vol. #5

It is reported that the spirit was out on a tour Thursday night. After several narrow escapes it landed safely in its old stall in Push Thomas' barn.

#6 Four Freshmen out with the spirit. A number of students of other classes were soon on the trail. Failing to obtain the spirit they caught a Freshie and after binding him hands & feet left him out in cool (mid Nov) night air until he could free himself.
