Re: Agency Contacts with

Rajneesh Puram Representatives

October 4, 1984

COMPANY SECTION

1) Rajneesh Medical Corp.

Filed application for Certificate of Authority as a Health Care Service Contractor on February 1, 1984. Since that time the application has been in various stages of process--from active to inactive.

The current status is that the application is fairly close to being approvable once certain questions have been answered.

We last posed our questions in writing on June 13, 1984. We have not yet had response.

2) Rajneesh Legal Services Corp.

Requested application for Certificate of Authority for a Legal Services Contractor in November 1983.

They have not filed application as of October 1, 1984.

RATES AND FORMS SECTION

The Rajneesh Medical Corp. submitted revised policy forms June 15, 1984. Cannot remember if this was first or second revision. They were reviewed and notations made regarding additional changes. One attempt was made to contact by telephone for discussion but not successful and have been holding the forms since for the organization to contact us. About 10 days ago a meeting was agreed to in connection with a personal visit to this office to talk

Also working with Blue Cross of Blue Shield of Oregon. I confirmed this with Dick Person, my former boss & Elin Vae.

with Charlie Nicoloff. That meeting was cancelled as were several previous meetings where the forms would have been discussed (the revisions, that is).

The forms are no more of a problem than any other new Health Care Service Contractor. RMC has not given any indication of eagerness in dealing with the matter since the June submission.

COMPLIANCE SECTION

Individual agents license was issued to Ma Anand Aparar in March 1984 - Home Insurance (P/C).

In August, Rajneesh Financial Trust obtained an agency license for Life and Health. Agent is Ma Anand Aparar. Company(s): Transamerica Assurance Co. (CA), Transamerica Life Insurance and Annuity, and Transamerica Occidental Life Insurance.

It is believed that other individuals have applied for their agents licenses but have not completed requirements.

Applications and processing of the above were completed in a routine manner.
