Rev H Lyman

Dear Bro.

How do you prosper
& how does your work flourish?

How sad that you must lose a
helper so good & noble as Mrs Stainer!
Yet she may help you more where
she is than when here.

There is a box of f.l. Books here left
by Bro Roberts. & I think they are
intended for your school - tho no
definite order was given and to send
them. If you would like them &
say so I will send them down
They were used a short time at 8
Mile, I think.

What progress are you making
toward an organ. Do you have one?
If so. paid for? Fraternaly - D B Gray
