

Dear Vic!

In behalf of Salem High School Class of 1935 we want to thank you again for what you done for us back in 1985 when you unveiled the Bell off of the U.S.S. Sederstrom D.E. 31, in the Governors office. Many in the class of "35" have a great feeling for that day in History.

I thought these pictures might bring back some memories of the Good Old Day. If there are any questions don't hesitate to ask me and I will do my best to get you answer. Owen Robertson can also bring you up to date.

Sincerely  
O. H. Duncan

*August 18-1985*
