MEMO TO: ALL BOARD MEMBERS AND STAFF  
FROM: Hugh Rosenberg  
RE: Tom Cattron

In response to interest and concern from Board and Staff about Tom Cattron and what he most needs, I am passing along this information to you.

Those of you who can, and wish to donate blood for Tom, it would be the most needed and appreciated effort at this time. The RED CROSS BLOOD BANK in PORTLAND should be contacted, and tell them you are giving blood for Mark T. Cattron, at Tuality Hospital under the care of Dr. Loedhen.

Complications following surgery has necessitated blood transfusions for Tom, and I hope, as each of you do that with your help, he will have a rapid recovery.
