Dear mama

It is 4 o'clock. Missper and I have just returned from Sek Sek qua. Major's oldest son & daughter came 12 o'clock, Saturday night. The son Pat Gallagher is just starting for Wapinitia with Paul Bannock for a drive. Major is much better. His children are going to try and get him to resign and go home, when he gets well enough, should he do so I think I'll make another effort - Perhaps Major will give me a recommendation I have not time to write more

Good bye
