

A Tribute To Community Action Organization, delivered by Angel Gonzales, a twelve year old boy, at our Building Dedication and 30th Anniversary Ceremony, October 20, 1995. He delivered this tribute in English, Spanish and Mixteco, his native language. Priscilla Orozco, from the Community Action Board of Directors, recruited Angel and helped him with his presentation.

We were **hungry**, you fed us
We were **cold**, you gave us warmth
We were **lonely**, you gave us friendship

Many times you have been our HANDS,
our EYES, and our FEET
Today let me give you my **heart**,
my **appreciation**, and my **gratitude**

Thank you member of **Community Action**, for being
a **light** that has given us **hope** in our community

Tuvimos **hambre**, y nos diste de comer
Tuvimos **frio**, y nos diste calor
Sentiamos **solos**, u nos brindaste amistad

Muchas veces han sido nuestras MANOS,
nuestros OJOS, y nuestros PIES
Hoy permiteme ofrecer mi **corazon**, mi
aprecio y mi **gratitude**

Gracias, miembros de **Community Action**, por
ser una **luz** que nos ha dado **esperanza** en nuestra
comunidad

(I don't have a copy of the Mixteco translation as Mixteco is not a written language.)
