Dear Brother Lyman

Your letter of
the 6th came to hand to night.

Come and see us if you can
not stay more than four or
six weeks you can judge
then for your self what
is best for the Church

Perhaps you can help
us to get a Pastor if you
cant stay

I got ^{up} the Baptist Minister of
No Hebron to preach for us
a few times we did not
want to close the Church

& Sabbath school. He gave
notice that there would be
service next Sunday at
2 P.M. I will meet you
in Granville any time

Very Truly yours
