I am glad that you are all well  
I hope you are all well  
I hope you are all well  
I hope you are all well

Dear Mama

I have just got the dishes washed after dinner, and will write a few lines before I start to town to get a load of manure.

Clifford commenced working in the dye this morning, speeding Petite pines. They will hardly commence drying before tomorrow, as they are fixing the papering to the furnace today.

I expect Cliff will get work all the week and when he leaves next Monday I can take his place if I am needed and you are able to help about the house work.

I saw Luisa at Wagon's Friday evening as I was returning from town.

Have not seen Ellen since then. Glenn was over Saturday, and Cliff went over on horseback

Toward evening and got him and  
some bread. Lissa went home Saturday  
Pa it seems as if a note is now to have  
a guardian appointed.

Lissa & Ellen were going to see  
S. Froman Saturday and see if he  
would accept the appointment. Don't  
know the result of they saw him.  
I went to U.P. Church yesterday  
Rev. White preached a very helpful  
sermon on the Saviour's words

"Take no thought for the morrow &c &c  
Said there was a wide difference  
in foresight and foreboding  
The just was faith. The lack distrust  
Said it was breathless to worry.  
"For after all these things do the Gentiles  
seek"

I am trying today to have more faith  
in God and feel more buoyant  
than for a long time, and feel physically  
stronger. I am going to keep on this <sup>all I can</sup> frame of mind

I did out a fair sized washing this forenoon, scrubbed the kitchen floor and cooked some beans the first for some time.

Fred Thompson expects to go to M<sup>o</sup> Meri the 19 Monday next, but he may have to return not starting in at commencement of school. If Cliff can get along with a large grip Fred will go with buggy and one horse. If he has to take trunk will have to go with 2 horses. Perhaps we can get along without a trunk.

Cliff: Glenn Everett Payne and Rob Livingston went up on Knox's Butte yesterday. The Payne boys wanted them to go and claimed they could not leave home on a week day. I disliked to let them go but yielded under the circumstances. I told them last night they need never ask me again to go off on such a trip on Sunday

I took dinner yesterday at Mr. Marks  
then went to Missionary Alliance at  
W. B. McHall at 3.

Some of the temperance workers met to-  
night at Rev. Whites to lay plans for the  
local option campaign. They met last  
Monday night and got the matter started.  
Expect to go tonight.

I was up to Sales <sup>near Sanger</sup> sale Thursday PM  
went more to get names to local option  
petition. Sales effects all went low.  
I have over 30 names now on petition.  
Will get - at least 30 more.

No doubt about the 500 being secured.  
I shall expect to meet you Friday PM  
at the Depot. I may get word from you in  
the morning.

I hope you are still improving and  
will continue to do so, and Vernal too.  
Glenn is going to town with me  
and will mail this. With faith and  
love and hope, Affectionately Pa pa
