Dear Mama

As Mr Sampson is going over to his ranch I will send a few lines to mail at Hay Creek. This is the 24th and today noon completes my 13th year. I was laughing at Sam this morning about getting us up after we had gone to bed last year. We are going to have oyster soup for dinner. Had fried prairie chicken for breakfast. Sam Mr Lester. Sampson & I went over to Hay Creek last ^{evening} night - Had two guns Sam killed 4. I shot twice but killed none. I have prevailed upon Mr McCoy to preach today. I wish I was with you.

Please remember me in your prayers most earnestly. With lots of love affectionately your
loving Papa
