**Subject:** SPAM: Congratulations! Your Organization is Receiving a Verizon Foundation Grant

Congratulations! Your organization is one of fourteen nonprofits in Oregon that will be receiving grants from Verizon Foundation.

We will be presenting the checks at the Westside Economic Alliance, "Neighbor-to-Neighbor Breakfast" on Thursday, December 15th, 7:30 a.m., at Kingstad Center, 15450 SW Millikan Way, Beaverton. Due to time constraints with the program, you will not need to prepare any comments about your project -- we will give a brief summary to the audience as the grants are distributed.

Although we were not able to grant the full amount requested to every organization, we are please to be able to assist with these worthwhile programs. Grant award amounts are as follows:

Beaverton Education Association - \$5,000  
Centro Cultural de Condado de Washington County - \$10,000  
Community Action Organization - \$8,000  
Mt. Hood Community College Foundation - \$9,500  
One Economy - \$12,000  
Newberg School District - \$12,000  
Oregon Newspapers Foundation - \$2,500  
Pacific Universtiy - \$2,500
